thinking that some simplification of the
procedure is necessary to popularise these
debentures and to prevent inconvenience, as far
as possible to their holders. Previous to the

Transfers of bonds of the face value of Rs 5000

50) A suggestion has been made that the Court Securities Regulation may be amended so that the definition of Court Securities may include 'Debenture Bonds' issued by local bodies also. The Securities Regulation is based on the British Indian Act and as the latter does not relate to Debenture Bonds of local bodies, the amendments may not also relate to them. Now the Securities Regulation has provided some special features (not common to other negotiable instruments) as regards these securities viz: Endorsement on back of instrument to pass title liability of indorser and renewal of securities. As these are not proposed to be extended to Debenture bonds, it may not be desirable to define Court Securities as including Debenture bonds.

51) The object in view may perhaps be achieved by enacting a special Regulation to provide for the payment —

In letter No.C.398 L.B.20-21 dated 23th April 1925, the President, District Board, Shimoga, submitted for consideration and orders, a proposal to empower the Presidents District Boards to transfer to the heirs of the deceased, the debenture bonds and ad-interim ~~bonds~~ orders of the denomination not exceeding Rs.1000, on the authority of a certificate of heirship granted by the Amildar and duly countersigned by the Deputy Commissioner without production of a succession certificate from a Court. It was pointed out by the President that there is much inconvenience and delay in getting a succession certificate from a Court and that the holders of debenture bonds of the denomination not exceeding 100 or 200 Rs. especially are put to much hardship and anxiety before the succession certificate is obtained.

Government have sympathetically considered the case and decided that proposal might be referred to the Presidents of the District Boards for favour of opinion in the matter, in letter No.L.6920-6/L.B.178-24-12 dated 31st March 1927 limiting the power of transfer up to Rs.500/-

BANGALORE.

Sir,

In submitting herewith a copy of the resolution of the District Conference held on the 5th April 1925 on the subjects moved by Mr. Naranappa of Hosabale re: the inconvenience caused to the heirs of the deceased debenture ~~bond~~ holders and requesting the abolition of the present system of producing succession certificates by empowering the Amildars to grant necessary certificates after due enquiry etc., I have the honor to state that the recommendation of the District Board on the subject was once refused ~~to~~ sanction in Revenue Secretary's letter No. R. 13607/L.B. 88-20-2 dated 6th June 1921 on the grounds that the debentures issued by the District Boards are only negotiable securities governed by the provisions of the negotiable Instruments Regulation and not Government Securitie and a copy of the said order is enclosed herein for reference.

There is the need for showing some concession to the heirs of the deceased holders whose number has reached to a sufficient mark. viz. 121 (deceased ad-interim order holders) plus 78 (deceased bond holders) and whose heirs have

left

(2)

left the debentures unclaimed for want of succession certificates which most of them appear to be quite unable to produce under various circumstances.

Most of the above debentures bear a face value of less than Rs 100/- out of which only a part has been paid. There are many instances where the heirs of the deceased have pleaded their inability to produce the succession certifiacte on account of the cost, trouble and difficulty involved. Under the circumstances, I request that Legislative Sanction may kindly be obtained to empower the District Board President to dispose of such cases after proper enquiry and investigation up to Rs 1000/-.

I have the honour to be,

Sir,

Your most obedient servant,

President,

District Board, Shimoga.

RS

Letter No. R. 13607/L.B. 88-20-2 dated 6th June 1921 from the Secretary to Government, Revenue Department, to the President, District Board, Shimoga.

With reference to your letter No. C. 898/L.B. 20-21 dated 3rd January 1921 recommending the sanction to the proposal of the District Board to transfer without insisting upon the production of succession certificates, District Debenture bonds and add-interim orders to the names of the heirs of deceased subscribers where the subscribed amount does not exceed Rs 1000/- as in the case of Government Saving Bank deposits, I am directed to state that the debentures issued by the District Boards are only negotiable securities governed by the provisions of the negotiable instruments Regulation and not Government securities. The special provisions made in the Savings Bank, Life Insurance and Provident Fund Regulations for exemption from the production of succession certificates where the amounts involved are below Rs 1000/- cannot be applied to these Railway debentures unless legislative sanction to such a course is accorded.

I am to add, therefore, that your proposal cannot be sanctioned at present.

37. The present system of producing succession certificate in respect of District Board Railway Debenture is causing considerable inconvenience to the heirs of the Loan holders. It is therefore requested that the Amildars may be empowered to grant after enquiring necessary certificates as to the ~~hair~~ heirship of the claimant. (Moved by Mr. Naranappa of Hosabale).

Dear Sir,

It has been brought to notice of this Government that considerable difficulty is being experienced by the subscribers to the various debenture loans raised by the Local bodies in the State for want of provision for the transfer of debenture bonds and Ad-interium orders to the names of the heirs of the deceased subscribers to these loans without the production of a Succession Certificate ~~even~~ in regard to debentures of any denomination. The bonds in many cases are issued for small denominations and the inconvenience attending the application to courts and getting a certificate in such cases is apparent. It has therefore been requested that the Presidents of the Local Boards and Municipal Councils be empowered to pass orders in these cases where the subcribed amount does not exceed Rs.1000/- without insisting on the production of a Succession Certificate as in the case of the Savings Bank ~~Department~~ Deposits etc. I am therefore desired to request you to be so good as to let me know what the practice in the Madras Presidency in such cases is.

I shall be obliged by an early reply,

Yours sincerely,

Dear Sir,

Reference your letter L.7399, dated the 9th June 1926. Debenture loans raised by local bodies - transfer to the names of the heirs of deceased subscribers.

Local boards and mufassal muncipal councils in this Presidency rarely raise loans in the open market. There has so far been no debenture loan. The Commissioner of the Madras Corporation has been addressed to furnish information as to the procedure adopted by the Corporation in this regard. The information will be furnished to you on receipt.

S i r,

With reference to the recommendation of the President of District Board, Shimoga in 1921 requesting sanction to the proposal of the Board to transfer District Boards Bonds and ad interim orders to the names of the heirs of the deceased holders without the production of succession certificates in cases where the amount did not exceed Rs.1,000/- he was informed that the Local Board debentures were ~~only~~ negotiable instruments and not Govt. Adverting to letter.No.L.1675/L.B.118-24-11 dated 1st September 1926 received from the Secretary to Government,Local and Legislative Departments for communicating the resolution of the Board if they will agree to take certain risk in the matter of empowering the Presidents of the District Boards to dispose of applications for transfer Etc, of debentures up to the value of Rs 1000/-,I have the honour to state that the subject was deferred at the meeting of the Standing Comittee held on 18-19th April'27.

In this connection it may be stated that the Board has agreed to make over the accumulated amount of Railway cess amounting to Rs 3,20,688/- unconditionally besides placing at the disposal of Government the cess that may be collected hereafter together with the loan raised by the Board surrendering also its proprietary right over the line. The amount so far collected has been practically treated as a Railway Loan on behalf of the Government and debentures are being nominally issued by the District Board to persons who have paid the full amount of shares allotted to them. Under the circumstances,the whole concern now vests in the Government and there does not arise any necessity for the Board to take further action in the matter.

from the Presidents of the several District Boards on the above subject.

Order No.L. G.S.37-45/LB.148-24-2

Dated, Bangalore, the 7th April 1928.

The President of the District Board, Shimoga brought to the notice of Government the hardship and inconveniences caused to the heirs of deceased Local Board Bond holders of small denominations of Rs.100 and 200 in their being required to obtain succession certificates from a court of law before such bonds ~~holders~~ and orders can be transferred to them. He therefore proposed that the Presidents of District Boards may be empowered to transfer such Bonds and ad-interim orders of the denominations not exceeding Rs.1,000/- in value on the authority of a certificate granted by the Amildars and countersigned by the Deputy Commissioners without the production of a succession certificate from a Court of Law.

The Government promised to consider the ~~same sympathetically~~ sympathetically after ascertaining the views of the other District Boards in the matter. With the exception of the District Board of Chitaldrug all the others are in favour of the proposal,

while the District Board of Kelaniya has already adopted the same.

Government consider that wherever District Boards agree action as proposed above may be taken subject to a maximum of Rs.1,000/- in each case, the procedure prescribed in Section 130 of the Government Securities Regulation,1925 being followed, in so far as it is applicable.
